

4 Advantages of Having a Will

DISTRIBUTION

You decide how your estate is distributed. Otherwise, if you die without a will, the rules of intestate succession determine how your assets will be divided.

FUNERAL INSTRUCTIONS

A will allows you to provide instructions about your burial or cremation so your loved ones are not guessing regarding your last wishes.

REDUCE STRESS

A will reduces stress for your loved ones and can avoid many arguments and costly litigation.

WHO'S IN CHARGE

A will allows you to designate who is in charge, avoiding confusion and unnecessary tension.
