

How to Search for Probate Assets

www. Drizinlaw.com
(702) 798-4955

1. Review

Review your loved ones personal papers. These will generally identify assets.

2. Research

Don't forget to look online, research their computer history and email usage. Many accounts are paperless.

3. Gather

Make sure to gather the mail, some accounts are sent quarterly.

4. Look

Look everywhere, including safe deposit boxes, in their personal belongings, off site storage facilities and home safes.
